About Us

Fine Italian Ice Cream Since 1882

Welcome to Bambini Ice-cream, a legacy of authentic Italian ice-cream making since 1882. Our founder, Luca Belfi, is a 5th generation ice-cream artisan whose lineage began with Bortolo Belfi. Honoring a 141-year-old family tradition, Luca's parents, Miguel and Constance, moved to South Africa, adapting our cherished recipe to delight South African taste buds. In 1994, they established "La Veneziana" in Magaliesburg, their passion culminating in a dedicated ice-cream factory in 1999, built brick by brick with 3-year-old Luca's help. Bambini, meaning 'children' in Italian, symbolizes the Belfi family's tradition bestowed upon each generation. We treasure our heritage, crafting incomparable ice-cream from real ingredients, guided by the wisdom of our predecessors. Experience the joy of Bambini Ice-cream, a taste of our family's history.
